The Circulation of The Bulletin

The Bulletin has the largest circulation of any paper in Eastern Connecticut and from three to four times larger than that of any in Norwich. It is delivered to over 4,000 of the 4,053 houses in Norwich and read by ninety-three per cent. of the people. In Windham it is delivered to over 906 houses, in Purnam and Danielson to over 1,100, and in all of these places it is considered the local daily.

Eastern Connecticut has forty-nine towns, one hundred and sixty-five postoffice districts, and sixty tural free delivery routes. The Bulletin is sold in every town and on all of he R. F. D. routes in Eastern Connecticut.

CIRCULATION 1901. average..... 4,412

RAISING THE ARMY

With the conscription bill made law, after a long debate which included some arguments which were 36 inclusive, the way is cleared for the pose of taking the part which this

According to the plans which have been made, or others which will be announced in connection with the draft. It is necessary that all men between the ages designated must fill out the required blanks at the registration places. This will not mean that all who do so will go into the sarmy. There will be many who are not physically able, others who think when delivered. not physically able, others who think when delivered. they are entitled to a place in this first army will not be accepted for one

ored that plan up to a certain point, and entering the war, as for thinking but it was not satisfactory in England, he would break with this country. and Canada at this time is being urged to abandon it for the conscription method, while such a scheme has for a long time been urged in Australia. an old habit with kindness and it will Thus this country is profiting by the stick around like a homeless dog. experience of others. It should result in the securing of a strong, active and efficient army from the start.

HOOVER FOR ADMINISTRATOR

Although Herbert C. Hoover deplaced some days ago that he did not care for the position of food dictator in this country, the very fact that he is so thoroughly acquainted with the daties which would be required of such. It seems quite an official and the needs of the nanow that he is the man for the place. Thus the action which has been tak-

the president in naming him feed administrator is bound to meet was not leading the proper amount of the most important and essential parts of every person's life. None with general approval and widespread cremendation.

Germany is fighting, and fighting especially, but the fact that the war allow problem of supplying the people of Bugium with food and offered his service. The manner in which he has given to it and the experience which he has given to it and the experience which he has given to it and the experience which he has given to it and the experience which he has been red that much of that kind of work would be rendered unnecessary if the cardination of the rentent nations, make it evident that the right man has been selected to administer the affairs of the service that the will do the same for this office. He has devoted his time and effects unattningly in the work which he was called upon to do for the service, the existing mand there is every reason to feel that he will do the same for this country. The very fact that he agrees to accept the office with the understanding that it will carry no salary with it shows the self-seacrificings panners are not set forth must cause the country. The very fact that he agrees the problem and there is every reason to be caused by German agents or not.

The agree and given bath and every part that he agrees the problem are not set forth must cause the country to wonder what they are fighting about.

Directions for washing painted windows. The most important and essential parts of every person's life. None will live in bott with understance without washing the windows. The fact that the will go year after without washing the windows. The sould live in a house with unwashing the windows. The sould live in a house with unwashing the windows. The sould live in a house with unwashing the windows. The sould live in a house with unwashing the windows. The sould live in a house with unwashing the windows. The sould live in the the soul.
